

YEAR 5 SHARE THEIR THOUGHTS

“What I liked most about Browhead Campus”

Following their visit to Browhead campus this morning to view the show classroom, Year 5 shared their thoughts with Mrs Ferreira and we felt they were too lovely not to share with you too:

“I liked the playground area near the greenhouse because its big and there are tunnels.”

“I liked all the hiding spots outside where we can play hide and seek.”

“The classrooms were nice and big and I like that the seating is the same as we have it now. I thought the playground was cool and the things that they are going to put in will make it even cooler.”

“I liked the sign for the classroom which said Year 5 and it was all glittery.”

“I liked the stairs as they weren’t as steep as the ones here and they had nice carpet on them.”

“I liked the Year 5 classroom which had a little door to Year 4 and I liked how big the playgrounds were.”

“I liked the views from the classroom and the dining hall and how big the playground was.”

“I liked all the hidey holes in the play area.”

“There were nice views, the classroom was really nice and the playground was really cool especially the willows, but mostly I loved the tunnel.”

“I liked the playground and I am excited they are going to build climbing walls there too.”
